

# THE APPETIZER PERFECTED

## 4 Reasons to Menu Intros®

- 1 Full lineup of products is versatile across the menu and has broad appeal
- 2 Convenient, simple prep and low piece cost items can help generate high profits
- 3 Consistent flavor and high-quality ingredients increase customer loyalty
- 4 Fried appetizers are popular, so customers will love and demand them

# Drive customer loyalty with crowd-pleasing appetizers that transform ordinary meals into extraordinary ones!

Intros® enhances the dining experience with a delicious assortment of classic appetizers, popular ethnic varieties and on-trend hors d'oeuvres.

## Breaded & Battered Cheese Sticks & Curds

Always in demand, cheese sticks and bites are the largest category of appetizers, and continue to show up on more menus at even higher price points. Made with 100% real cheese with crisp breadings and batters, they create an upscale gourmet experience.

## Breaded & Battered Vegetables

The perfect balance of on-trend and indulgent, fried vegetable appetizers are a rapidly growing category. Your customers will love these delicious vegetable options.

## Stuffed Jalapeños

Spicy foods keep gaining popularity, and our profitable jalapeño peppers stuffed with cream cheese or cheddar cheese are hotter than ever!

## Breaded & Battered Onion Rings & Straws

With their versatility as appetizers, sides and creative toppers for sandwiches and salads, onion rings are appearing on many menus. A variety of cut sizes and coatings will suit guest preferences.

## Specialty Products

Unique, mouth-watering offerings like Mac & Cheese Nuggets, Broccoli Cheddar Bites and Corn Nuggets will drive traffic and satisfy any guest craving for something a little different!

### ORIGINALS –

Real cheese, no imitation product, Grade A vegetables, light coating
