### Golden Crispy

Made with fine flour and bread crumbs to create a great crispy texture and rich, golden appearance with savory flavor—a classic chicken wing choice.

### Hot 'N Spicy

A flour-based breading with the vibrancy of paprika and red pepper. Cayenne delivers the heat, balanced by smoky notes of black pepper and a savory foundation of garlic and onion.

### Applewood Smoked #044606

A delicious wing with the perfect amount of smokiness. The Applewood smoked flavor pairs nicely with bold flavors such as BBQ sauce and hot sauce.

### Starch Coated #044607

Unbreaded and unlimited in possibilities. The starch coating enables sauces to cling better to the wing and hold up longer for improved flavor and performance.
